- Individual Support (Ageing/Disability)
- Early Childhood Education and Care
- Hospitality
- Logistics
- Food Processing
- Cleaning Operations

Areas of Collaboration and Cooperation with Vietnamese Institutions

Enhancing Students' Experiences through offshore delivery and providing study pathway programs to Australia

(8 weeks offshore and between 21 to 102 Weeks onshore depending on the package programs)

- Embedding Strategix International College's Curriculum to Offshore Partner Institution's existing curriculum.
- Study Pathway Programs - The students have options to package the program with higher level qualifications and gain relevant working experiences in the Industries.
- Earn your Australian Qualification, be part of the Australian Communities and join the Australian Workforce in accordance with the conditions of your visas.

Benefits of studying the Online Programs in Vietnam

- Familiarise oneself with the learning and assessment resources of Strategix in the comfort of your Home Country
- Get a taste of an Australian Program whilst overseas
- Prepare oneself (psychologically, physically, socially, emotional, financially, culturally) before the student decides to complete the program in Australia
- Significant discounts on tuition fees when students decide to further their studies in packaged qualifications with Strategix in Australia
